Dear H.N. Funkhouser & Co. Heating Oil and Burner Service Customer,

Thank you for your continued patronage. We want to inform you of an upcoming change to our HVAC and burner service availability.

Due to limited staffing, H.N. Funkhouser will continue to provide Burner Service and HVAC repair **Monday–Friday, 7:30 a.m.–4:00 p.m.** However, we are no longer able to offer after-hours, weekend, or holiday service directly.

For emergency service outside our regular hours, we have partnered with **Mountain Valley Home Comfort at 540-740-3844**. They will handle and bill all after-hours and weekend calls and are known for quality service and competitive rates.

If you have any questions, please contact:

H.N. Funkhouser Burner Service Office at 540-662-9000 ext. 222.

Thank you for your understanding,
